*Service...Value...Integrity*

*It's all about integrity...*

**Newly Remodeled Showroom**

**A**t G. Miles Interiors we offer one of the best selections of coastal lifestyle furniture and accessories in Florida. You will find individual room settings decorated to inspire your imagination and fuel your passion for home. We recently completed a store renovation to offer you a more exciting and visual way to plan and purchase home furnishings. Our dramatic new showroom is all about mixing color with varied design elements. We offer an eclectic blend of unique furnishings styles from cottage to West Indies to contemporary.

### *Investment Property Specialists*

**Friendly Assistance**

Many stores can offer you furniture. What makes G. Miles Interiors so special? It's our people. Our design consultants have a passion for design and a passion for people. Our store offers you the talent to plan a total project or help finding an individual piece. We specialize in complete "turn-key" investment property design. Each designer understands the benefits of a total plan that blends the look you want with the function you need. We also respect your spending plans. Our friendly delivery crews adhere to high standards. They take pride in seeing your project installed completely to your satisfaction. Our job is to make your time on the Florida coast as fun and relaxing as possible. Our reputation for integrity and our people make G. Miles Interiors a clear choice for your next design project.
